

100TH ANNIVERSARY DOOR

Jamison Door Company has captured 100 years of door-making experience and artistry in this beautifully-crafted limited edition door. Made with genuine $\frac{3}{4}$ " thick oak lumber and bronze-finished hardware, this signature door replicates early 1900s door design in classic Art Deco style. As a high-quality architectural timepiece, the Anniversary Door combines distinctive style and appeal with the versatility of a fully-functional cooler door. Ideal for many applications, including:

- Wine Cellars
- Breweries
- Restaurants
- Floral Shops
- Grocery Stores
- Beer Coolers
- Distributors
